

Puzzle

When: Thursday,
September 16,
2021

If you are tired of completing the same old puzzles over and over again and are ready for new ones you certainly will want to attend the Sherman Minerva Free Library's **"Jigsaw Puzzle Swap"**.

The library is hosting its first jigsaw puzzle swap to meet the needs of all the "puzzle people" out there while trying to raise funds for needed updates on the library building and grounds.

Spread the word to all your puzzle loving friends.

The rules are simple; bring one to five 100 pieces or more puzzles-without any missing pieces-to trade for "new to you" puzzles. You can add to your hobby, by visiting the library.
