

Open Meeting Law Regarding Documents

The Library has its Board of Trustee Meetings on the first Tuesday of every month from 6-8pm. These meetings are subject to change due to weather and unforeseen circumstances. These are open meetings to the public. According to New York State law, the Library will provide the agenda and copies of the documents being discussed in the meeting. If you would like copies of the documents being discussed you must contact the library no later than the Thursday before the meeting so that you can pick up the documents when the library is open and verify meeting schedule. Contact the Library Director by email at Director@Minervalibrary.org
