Summer Reading Program

The **Oceans of Possibilities Summer Reading Program** is running swimmingly. We had a great turnout for the opening night, with young and old in attendance. A picnic was enjoyed by all. The youngest children listened to books, did a craft, and played a game or two, all ocean themed. The older children did a Book Tasting and selected their favorite book to take home with them as their first read for the summer. The board wishes to thank Cindy Sears for running this program and making kids want to visit the library on their summer evenings. Thank you to Quentin Armes for being our head chef for the event. Thank you to Shellie Williams for keeping the library doors opened for others to use during these events.

Sherman Day The Minerva Library Way

The library is excited to be part of Sherman Day this year. Make sure you visit the library from 9-11 on Saturday, August 6th. We will have a Throw, Pitch, and Shoot Course set up, a Used Book Sale, and Voting for the Sherman Summer Photo Contest.

Community Book Club Are you a book lover? Do you like to discuss books, but don't have someone to interact with?

Why not join the Sherman Community Book Club? We meet in the basement of the library on the 3rd Tuesday of the month @ 6PM. **Because of the Summer Reading program going on in the building, we will meet @ 7PM on July 19th for our July meeting.**

The Library Staff and Library Board would like to thank anyone and everyone who has been a Friend of the Library to date. We hope to expand our community of readers, presenters, and volunteers, as well as offering more events at the library.
