Sherman Day: What a Great Day!

The library was very excited to be part of Sherman Day this year. We had visitors to the library who signed up for library cards, the Throw, Pitch, and Shoot Course was set up for the enjoyment of all, and our first Used Book Sale was held. Next year will be even more exciting as we will be celebrating Sherman's Bicentennial.

The Prickly Pear

What a wonderful way to spend an evening! We would like to thank Danielle from Prickly Pear for spending an evening at the library teaching or helping the participants with creating some awesome "words on wood." The board would like to also thank Danielle for being a Friend of the Library and her donation to the Building Fund.

Library Survey

In September, the families of elementary students @ SCS were asked to fill out and return a survey concerning the library. The library board is reaching out to the community to make a strategic plan for the library's upcoming years. You can help us out by taking a brief minute to fill out the survey that has been developed. If you'd like to fill out one for us, they are available at the library during hours of operation and can also be found around town.

Business Buddy

We'd like to take a moment to thank Becky @ Arlene's for letting us display our Raffle Baskets at her business and selling tickets for us. This is greatly appreciated since the library hours of operation do not necessarily fit into everyone's schedule.

For more details about what's going on at your library, visit Minerva Free Library on Facebook, Sherman_minervalibrary on Instagram, or visit our website @ <https://www.minervalibrary.org> We will be updating our calendar with more events as they are scheduled. **(News from the Minerva Library Board)**

Community Book Club Are you a book lover? Do you like to discuss books, but don't have someone to interact with?

Why not join the Sherman Community Book Club? We meet in the basement of the library on the 3rd Tuesday of the month @ 6PM.

Used books and puzzles continue to be on sale in the library basement for those interested.

We Are Friend-Raising Would you consider a financial gift to support your library?

Your gift would positively impact kids, teens, adults, and families in our community. Please consider giving today. All donations are tax deductible.

The Library Staff and Library Board would like to thank anyone and everyone who has been a Friend of the Library to date. We hope to expand our community of readers, presenters, and volunteers, as well as offering more events at the library.
